

Dear Friends,

1. We, at EMPOWER ACTIVITY CAMPS, are extremely happy to learn that your child is joining us for the Funnnn Camp. We are certain he / she will find it an interesting and unforgettable experience.

2. It is our endeavor to provide your child a welcome change from routine school activity. While it will fun and excitement for the child, we will have a few hidden objectives aimed at helping the child enrich his / her personality. This will imply organizing activities that have an element of team building, gaining self confidence and development of certain leadership qualities.

3. Organising this camp will include activities which demand physical exercise in an outdoor environment. Obviously, there are inherent risks. We have laid a lot of emphasis on safety and security of children. A teacher and a group leader will accompany each group of max 15 children. A nursing assistant with essential first aid kit will be present throughout.
